

SATURDAY MORNING VISITOR.

Monthly Bulletin, No. 6.

THE SARSA-PARILLA COMPANY.
 FOUND of this com-
 pany is almost liter-
 ally a sulphate of
 Sarsaparilla. So
 highly concentrated
 is it that the dose is
 but the half of a ve-
 ry small teaspoonful,
 while the dose of
 that which is sold in large bottles nearly a
 wine glassful. In addition to Sarsaparilla,
 it contains a powerful concentration of
 Mandarins, Cassia, Delight, Elder, Yel-
 low Dock, Guaiacum, and other important
 ingredients which are not found in any
 other preparation.

The Queen's Delight, which forms an
 essential ingredient in the Graceland
 Sarsaparilla Compound, is probably superi-
 or to Sarsaparilla itself. Professor Frost,
 of Charleston, S. C., speaks of it as fol-
 lows: "In the Southern Journal of Medicine
 and Pharmacy, 'Few vegetable prepara-
 tions exhibit more power upon the system
 generally.' So powerfully is its action ex-
 erted upon the capillary and secreting ves-
 sels, in changing their morbid state or con-
 ditions and disposing them to a new and
 healthy action, that it is greatly to be re-
 garded, &c., &c. He further adds, 'that
 it is in chronic diseases, and chronic in-
 flammation, and also in the long train of
 consequences that follow syphilis, that its
 efficacy is best exhibited.'"

The superiority of the Graceland Sar-
 saparilla Compound may be stated thus:
 1. It is compounded of a number of the
 most efficacious vegetables in the whole
 range of the materia medica in addition
 to Sarsaparilla.
 2. These are so highly concentrated that
 there are so many more doses in the bottle
 than in any of the very large bottles ever
 advertised.

3. This concentration renders it to Sar-
 saparilla what quinine is to Penicillin bark.
 The more dilute preparations are no better
 than ordinary root beer, source of the
 stomach and system in the bottle. To
 take a weak infusion of Sarsaparilla when
 a substance of the article may be had is
 like taking bark instead of quinine, or like
 travelling in a slow boat instead of a strong
 current instead of a fast steamer.

These things being so, let all who have
 made up their minds to use any Sarsapa-
 rilla, use that of the Graceland Com-
 pany. It is warranted to be ten times
 more efficacious than any other known
 to matter how large the bottle or extrava-
 gant the advertisement. **AN SPRING
 MEDICINE.** The Graceland Vegetable
 Pills, the Graceland Health Bitters, and
 the Graceland Sarsaparilla Compound
 should supersede all others. For univer-
 sal use the Pills and Bitters are of irre-
 frangible value. Those who take them
 need not fear the evil effects of
 summer which is at hand.
